Oil and Water in the Middle East

Do people live in the desert?

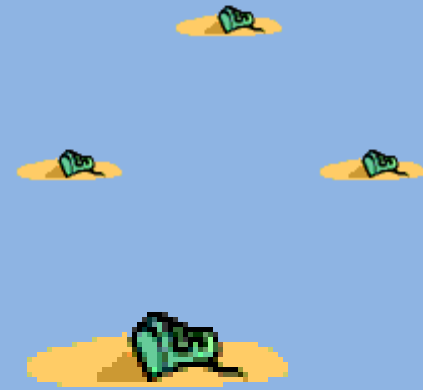

People live in the deserts of the Middle East.

- People live in the ME deserts because there is oil there.

Why?

- Why does oil draw people to the desert?

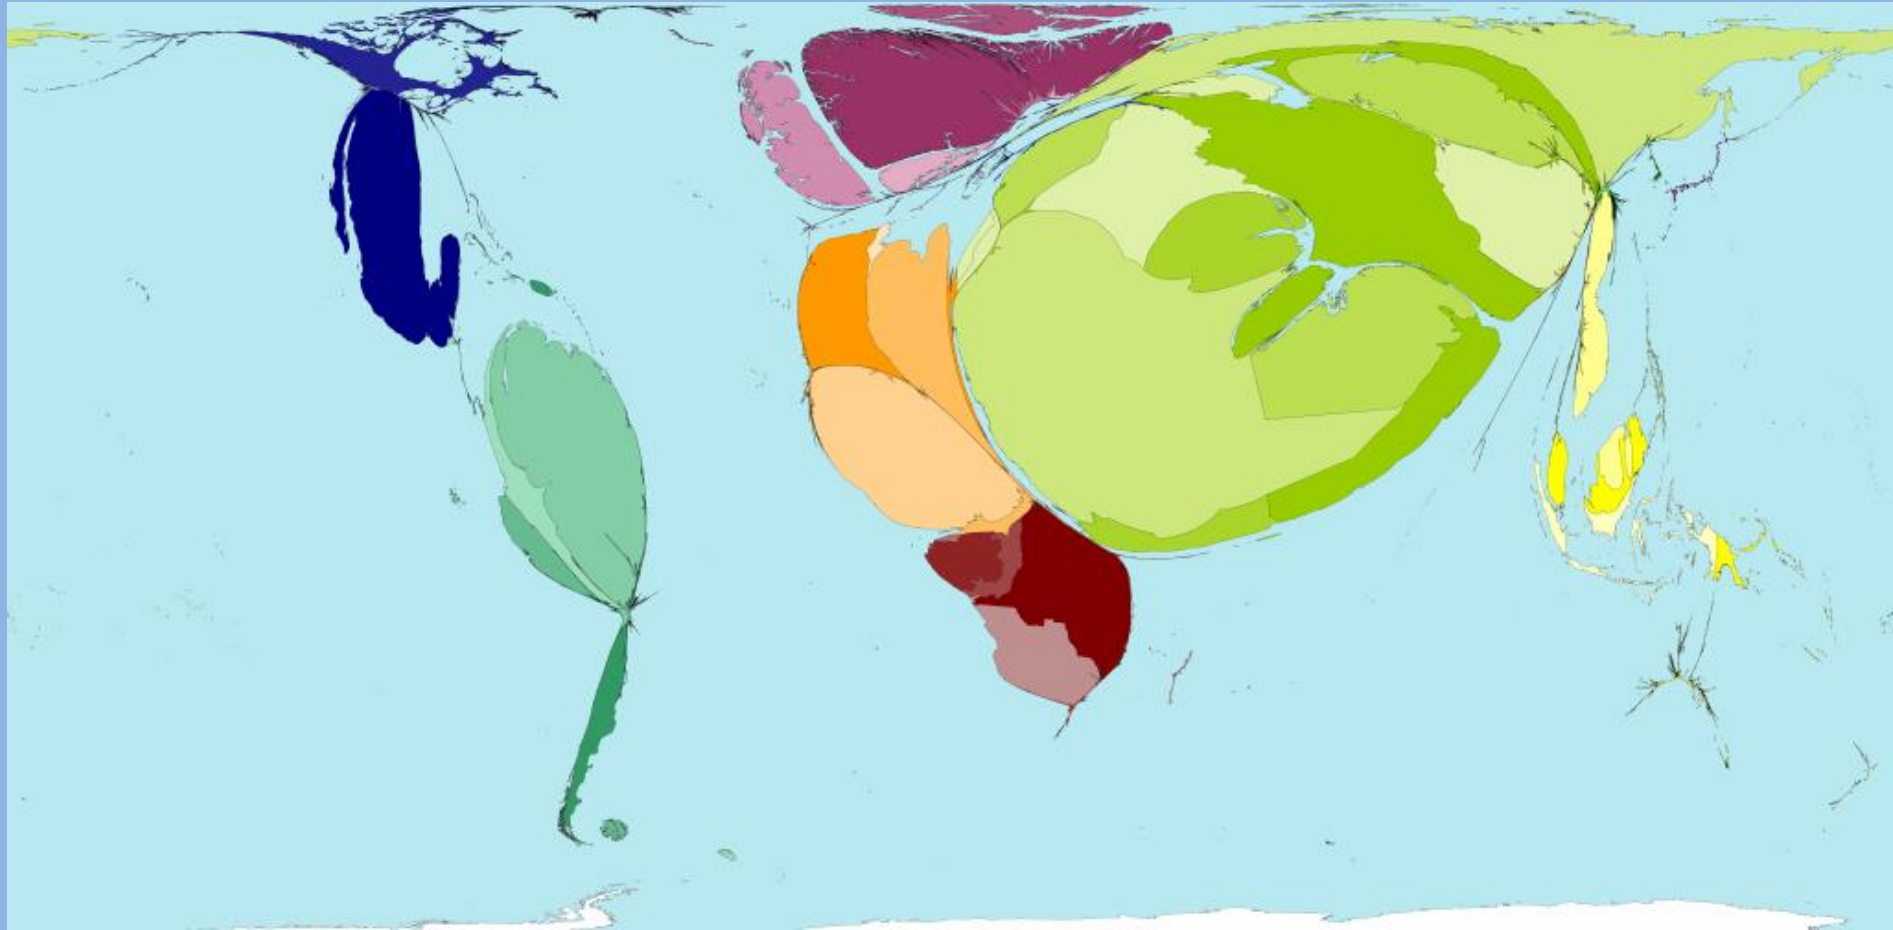

Why?

- Oil = Money
- Money will buy water, food, transportation, and anything else you want.

Oil Exporters

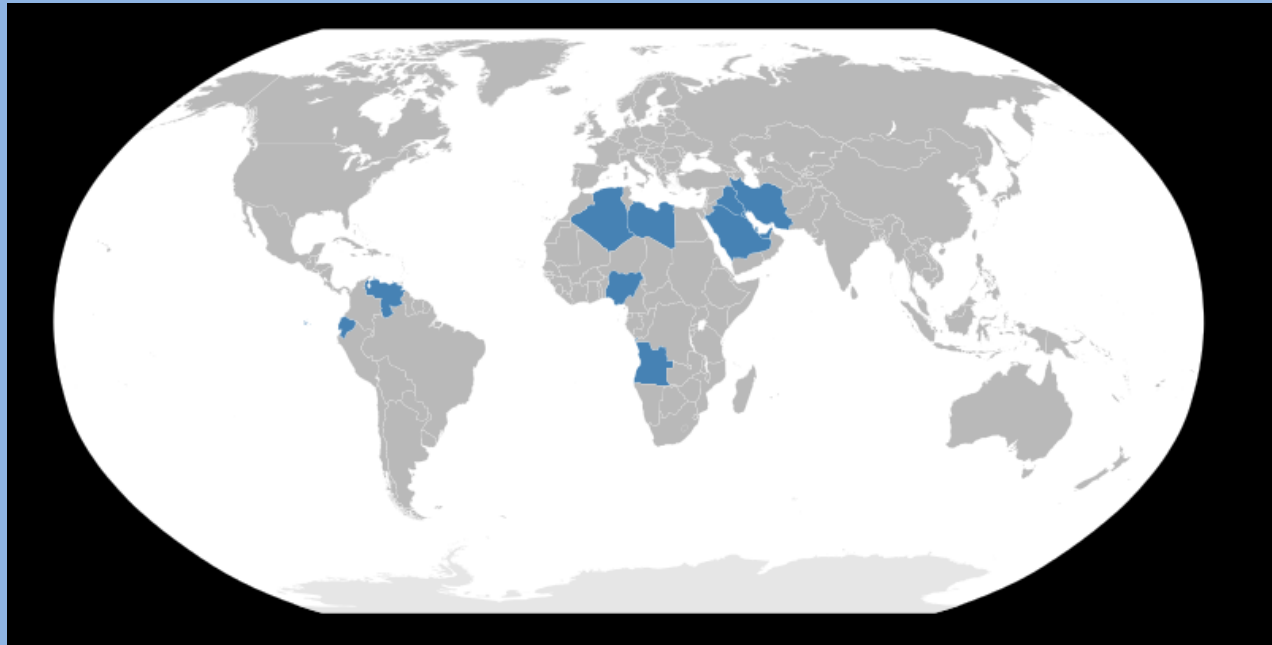

Oil and Water

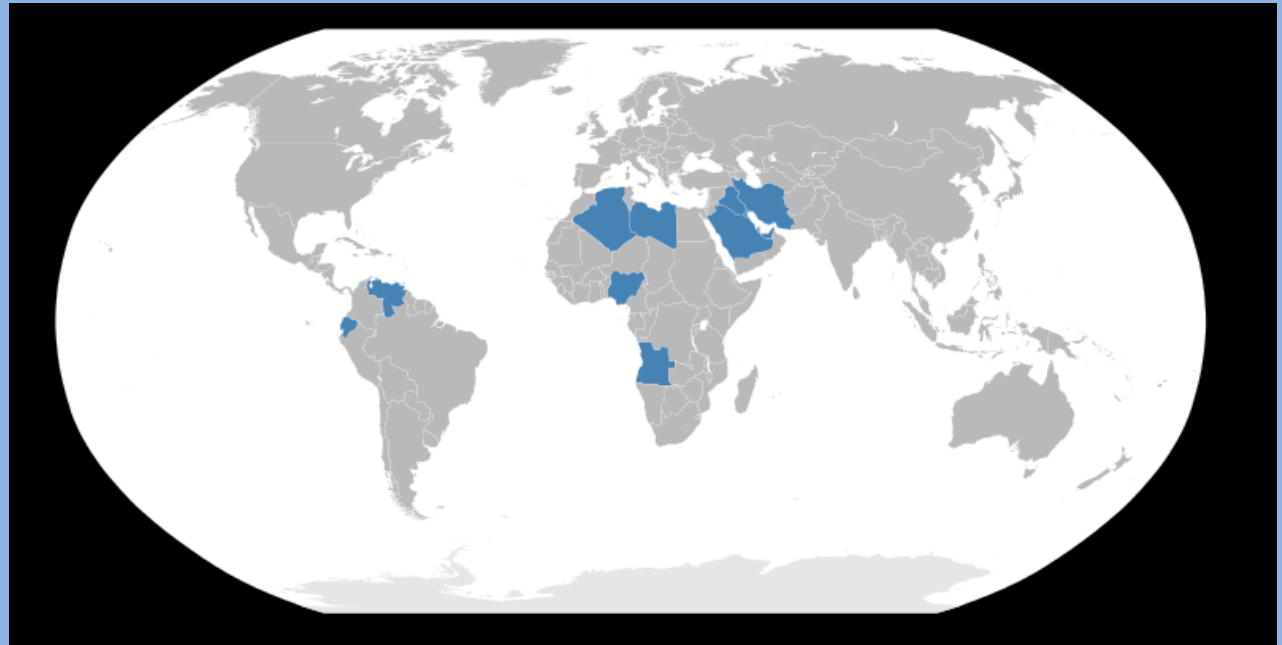

OPEC

Organization of Petroleum Exporting Countries

Who is in OPEC?

- Algeria
- Angola
- Ecuador
- Iran
- Iraq
- Kuwait
